International Child Development Programme

INTERNATIONAL CONCLUSION DEVELOPMENT PROGRAMME

Since February 2022, the situation in the country has changed

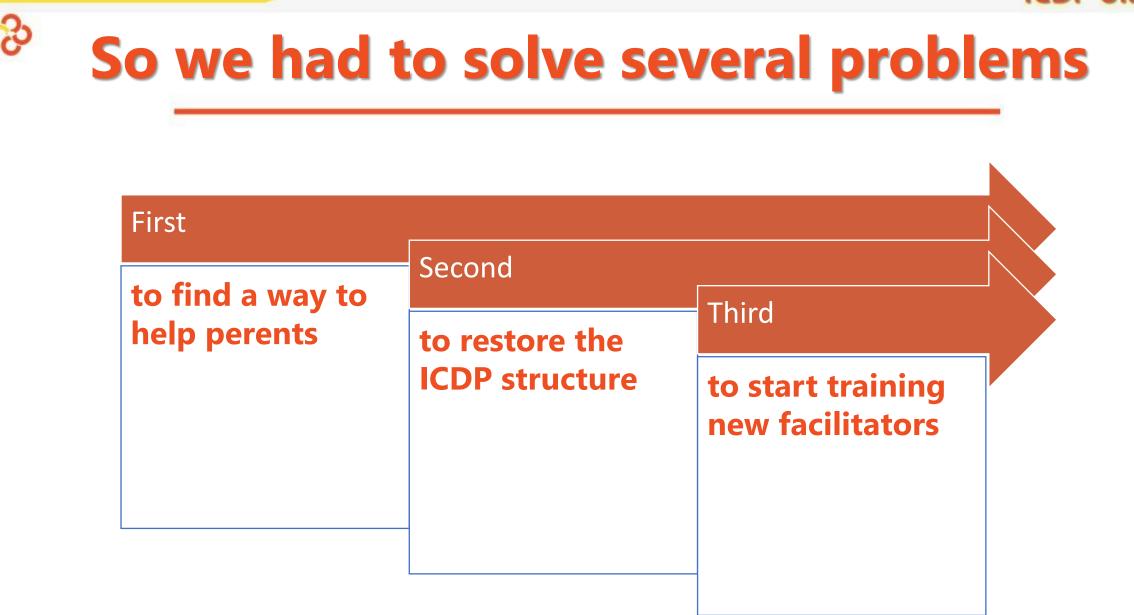

Contact was lost with many facilitators

International Child Development Programme

How we solved it Crisis assistance Online classes Help with adaptation

Adaptation to new conditions

Difficulties: The state of trauma in people Many do not have normal living conditions There is no opportunity to constantly and calmly attend trainings

The third problem is training new facilitators

New facilitators of the program work in different regions of the country

International Child Development Programme
